Orfeo & Majnun: Ġrajja tal-Imħabba, it-Telfa u x-Xewqa //
Orfeo & Majnun: A Tale of Love, Loss & Longing

Żewġ ġrajjiet tal-imħabba dejjiema jingħaqdu... //
Two age-old love stories unite...

Teatru tal-emozzjonijiet, fejn leġġendi antiki minn kulturi differenti jiltaqgħu, Orfeo & Majnun tgħaqqad żewġ stejjer tal-imħabba flimkien – dik ta' *Orpheus and Eurydice,* l-istorja Griega magħrufa ta' mħabba traġika, u *Layla and Majnun,* il-ġrajja klassika Persjana li saret magħrufa bħala r-Romeo u Ġuljetta tal-Lvant. Din il-mużika-teatru poetika timpenja ruħha ma' dawn il-leġġendi ċentrali biex tesplora t-temi eterni tal-imħabba, tat-telfa u tax-xewqa, li mbagħad jiġu rrakkontati mill-ġdid f'diversi forom minn parteċipanti minn kull mogħdija tal-ħajja.

A theatre of emotions, where ancient myths from different cultures meet, Orfeo & Majnun brings two love stories together – that of Orpheus and Eurydice, the ultimate Greek tragic love story, and Layla and Majnun, the classic Persian tale that has come to be known as the Romeo and Juliet of the East. This poetic music-theatre engages with these central myths to explore the eternal themes of love, loss and longing, which are then retold in various forms by participants from all walks of life.

...fi proċess kreattiv meraviljuż... //
...in a wondrous creative process...

Il-frott ta' dawn il-*workshops* immirati lejn il-komunità jilħaq il-qofol tiegħu f'rappreżentazzjoni tal-Mużika-Teatru finali u fl-avveniment *Sfilata fil-Kapitali* f'Ottubru tal-2018. Dawn l-attivitajiet ferrieħa joħolqu proċess uniku mmexxi mill-komunità; maħluqa minn mijiet ta' membri minn diversi komunitajiet, dawn jistiednu lill-udjenzi biex jingħaqdu fiż-żifna eterna bejn l-imħabba, it-telfa u x-xewqa, flimkien mal-mużika, vidjows, stejjer, żfin, tpinġijiet, u ħafna aktar.

The fruit of these community-focused workshops culminates in a final Music-Theatre performance and the event *Sfilata fil-Kapitali* (Parade in the Capital) in October 2018. These joyful events make up a community-driven process like no other; created by hundreds of members from diverse communities, they invite audiences to join the eternal dance between love, loss and longing, with music, song, video, stories, dance, drawing, and much more.

...b'ispirazzjoni minn stejjer dejjiema tal-imħabba, tat-telfa u tax-xewqa. //
...inspired by timeless stories of love, loss and longing.

Il-maħbubin mifruda Layla u Majnun u x-xewqa inevitabbli li twassal lil Orpheus imur fi vjaġġ fid-dinja ta' taħt l-art biex iġib lura lill-maħbuba tiegħu Eurydice: dawn l-istejjer mitiċi jservu biex juru li x-xewqa hija xi ħaġa li kulħadd jesperjenza kuljum. Isseħħ meta naħsbu fil-passat, meta naħsbu fi mħabba li spiċċat, jew meta naħsbu dwar futur aħjar. Proġett komunitarju bħal dan jgħin lil dawk li jipparteċipaw biex jesprimu dawn ix-xewqat fi kliem, fil-mużika, fis-snajja' u f'diversi forom tal-arti oħrajn.

Parted lovers Layla and Majnun and the inescapable desire that drives Orpheus to take a leap into the underworld to recover his beloved Eurydice: these mythical stories serve to show that longing is something everyone experiences every single day. It happens whenever we think of times past, of a love lost, or a better future. A community project such as this helps those participating to express these longings in words, in music, in crafts and through various other art forms.

Il-pupazzi tad-dellijiet jagħmlu parti minn forma teatrali antika ħafna, bl-għeruq ritwali tagħha fil-kulturi Asjatiċi, u din il-forma ta' arti hija wkoll il-prekursur tal-films animati diġitali moderni. Fl-edizzjoni ta' Orfeo & Majnun f'Malta, se nkunu qed nużaw xi wħud mill-elementi ta' din il-forma artistika tradizzjonali fuq il-palk. Shadow puppetry is an ancient theatre form with ritual roots in Asian cultures, and is also the analogue forerunner of modern digital animation movies. In the Malta edition of the Orfeo & Majnun music-theatre piece, we will be using some elements of this traditional artform on stage. Audiences can indeed expect some delightful surprises during the show, thanks to a shadow screen and puppets manned by participating puppeteers during the performance.
